

august 7

sandy, barbara, jean, kellam, ray, erika, alex, darby, hugh, laurie, jason, karl, kevin
steve, luke

guest -- lori koc. came to ask about def space. call stn 15 -- 681-5515. on a slope. how
to deal

steve w.

july minutes. lori dahl. what were changes to previous minutes? need to record them
in next minutes. approved as corrected.

ray smith -- treas rpt 60,132.83. 60,520.17 june / july
memb donations + contrib Das(\$2500) \$2210 expenses
see report

alex -- constant contact. \$343 if pay early. continue? (\$540 if pay on time.)

sent 3 or 4 this past year. expensive per
increase? use Nextdoor? send postcards?

kevin--buried in emails

alex--open rate is 50% the first day

jason--to spam?

alex--doesn't tell spam. tells bounce from bad address. about half a dozen
unsubscribe

jason--is there a free version? by # of emails

jean--keeps our email list updated

laurie -- did so many after fire

barbara -- postcard mailing cost?

ray -- 1,135. june. 3 separate issues. about \$300 each

approved

luke--construction getting buttoned up. final finishes, camps winding down, post

labor day visits drop off. 3rd wk Sept more butterflies. no major complaints

butterfly enclosure going up. maybe done by end of month, items into sept still

short run this yar to test pavillion. full summer next year.

use it rest of year for other purposes -- parties, memorial svcs, classes, exhibits,
event rentals

butterflies vs fire department re plantings

steve--closed alot this summer. red flag days. turn away a decent number daily,

staff at kiosk. close gates and sign, people walk thru anyway.

last a big-cone pine,

resealed parking lot one day

17th, trails and tails.

karl--actual losses to red flag?

steve--not recently. attendance going up. staff cost several hundred, sent home w/
pay

on a weekend, can lose up to \$3000 a day, not counting store sales.
during week under a thousand

co okay w/ dev plan in 3 phases -- CUP change.
come back w/ bldg change. no rush. proposal not in yet. maybe more comnty rvw
temp and low humidity the other weekend, sucks all moisture out, manzanita too
cell tower, sbbg exec cmmtee not on top of bldg. multiple on phone polls. staff
50/50 split. multiple repeaters FD idea. Das?
needs to be near road (for trucks) and 24-hour access
alex--had done this in montecito
next mtg w/ das 9/27, 12:30pm
jay higgins -- verizon contractor county offc of emerg svcs (karl)
sandy to contact

last wms mtg. ray, karl, kevin, barbara. portapottie to have sign re mca and wms
provided.
adu ord county, next tuesday.
hugh--county still throwing up roadblocks. told everyone couldn't have them
kevin--issue in montecito re short-term rentals. having to compromise w/
lavagnino. coastal plan requires to allow -- caught county staff offguard. to allow in
places of 1 acre plus
hi fire doesn't matter. mcplan doesn't matter either.

barbara-- should sce turn off the power?
ray -- san diego power put small met device on towers. constantly run fire models.
when it gets a hit, super wind, endanger power lines, could cause a break, could
cause a fire, shut them down. not willy-nilly.
county and city fire working w/ socal edison.
b--havoc w/ early warning systems. people on life support.
karl--only way is to harden the grid

erika--renewal of support for mission heritage trails assoc. handout, recent activity.
eng sched being worked out by Wallace Group. one year later, landmarking of rocky
nook still stuck in hlac.
expenses. bridge expenses depends on wallace outcome. plus publications,
workshops. ped/bike survey \$8000.
gave \$5000. org membership fee \$500. not paid for 2018
other neighborhood groups, upper east, riviera
erika is treas for mhata

ray --camera on the mesa. hp-WREN. ready to go. ucsb, ucsd, county fire. santa ynez
peak access too. cost was \$6100 voted on 18 mos ago. reauthorized

sandy--thanks to barbara, signs oncoming traffic does not stop
